

ORESTA

FALL 2008

NEW ARRIVAL

I am thrilled to introduce my very first and favorite beauty product: lip gloss.

Made with mindfully sourced, natural & organic ingredients including fair-trade shea butter, nourishing jojoba oil, vitamin E and pure mineral pigments, **LipKiss** is "good for the kisser & the kissed".

In keeping with my philosophy, the glosses are free of conventional lip gloss ingredients like petroleum, parabens, coal tar dyes and synthetic fragrances. They are ultra-hydrating, long-lasting and shiny, but not sticky.

Choose from 13 kissable shades, like sheer *bupkiss* to deep *right in the kisser*.

We are launching **LipKiss** at [The National Women's Show](#) at Aberdeen Pavillion at [Lansdowne Park](#) on Saturday, September 27 & Sunday, September 28, 2008.

Attached is a 2 for 1 coupon for the Show, so bring a friend and visit us at booth 139.
